

Dear Santa Rosa Cycling Club Member,

REACH Air Medical Services would like to offer you, as a member, the opportunity to join REACH's Membership Program at a special discounted rate!

Annual Membership Fees for Members

\$55—Household

As your local air ambulance, serving area residents from our surrounding bases, REACH understands the critical aspect of time in treating medical emergencies. Recovery can depend on how much time it takes to be transported to emergency medical treatment. REACH can cut that transportation time *in half*.

In the event you are flown by REACH for a life or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. Whatever your benefits provider pays will be considered payment in full. Even with medical insurance, an air medical transport can leave you with unexpected out-of-pocket expenses, burdening your finances & family. As a REACH member you will have no out-of-pocket flight expenses if you are flown by REACH or any AirMedCare Network participating provider.

REACH is a member of the AirMedCare Network, the largest Air Ambulance Membership Network in the United States. An AirMedCare Network membership automatically enrolls you in all our membership programs, giving you membership coverage in over **220 locations across 32 states**. All AirMedCare Network service providers work cooperatively to provide the highest levels of care for you, your family, and your community.

Membership is valid upon receipt of application. Completed enrollment forms may be sent in 3 easy ways...

**AirMedCare Network Membership
Terms and Conditions**

Reach for Life is a d.b.a of REACH Air Medical Services LLC ("Company") A(n) (Specific Company) membership ensures the patient will have no out-of-pocket flight expenses if flown by the Company or another AirMedCare Network participating provider (together with the Company, each an "AMCN Provider") by providing prepaid protection against AMCN Provider air ambulance costs that are not covered by a member's insurance or other benefits or third party responsibility, subject to the following terms and conditions:

1. Patient transport will be to the closest appropriate medical facility for medical conditions that are deemed by AMCN Provider attending medical professionals to be life- or limb-threatening, or that could lead to permanent disability, and which require emergency air ambulance transport. A patient's medical condition, not membership status, will dictate whether or not air transportation is appropriate and required. Under all circumstances, an AMCN Provider retains the sole right and responsibility to determine whether or not a patient is flown.
2. AMCN Provider air ambulance services may not be available when requested due to factors beyond its control, such as use of the appropriate aircraft by another patient or other circumstances governed by operational requirements or restrictions including, but not limited to, equipment manufacturer limitations, governmental regulations, maintenance requirements, patient condition, age or size, or weather conditions. FAA restrictions prohibit most AMCN Provider aircraft from flying in inclement weather conditions. The primary determinant of whether to accept a flight is always the safety of the patient and medical flight crews.
3. Members who have insurance or other benefits, or third party responsibility claims, that cover the cost of ambulance services are financially liable for the cost of AMCN Provider services up to the limit of any such available coverage. In return for payment of the membership fee, the AMCN Provider will consider its air ambulance costs that are not covered by any insurance, benefits or third party responsibility available to the member to have been fully prepaid. The AMCN Provider reserves the right to bill directly any appropriate insurance, benefits provider or third party for services rendered, and members authorize their insurers, benefits providers and responsible third parties to pay any covered amounts directly to the AMCN Provider. Members agree to remit to the AMCN Provider any payment received from insurance or benefit providers or any third party for air medical services provided by the AMCN Provider, not to exceed regular charges. Neither the Company nor AirMedCare Network is an insurance company. Membership is not an insurance policy and cannot be considered as a secondary insurance coverage or a supplement to any insurance coverage. Neither the Company nor AirMedCare Network will be responsible for payment for services provided by another ambulance service.
4. Membership starts 15 days after the Company receives a complete application with full payment; however, the waiting period will be waived for unforeseen events occurring during such time. Members must be natural persons. Memberships are non-refundable and non-transferable.
5. Some state laws prohibit Medicaid beneficiaries from being offered membership or being accepted into membership programs. By applying, members certify to the Company that they are not Medicaid beneficiaries.
6. These terms and conditions supersede all previous terms and conditions between a member and the Company or AirMedCare Network, including any other writings, or verbal representations, relating to the terms and conditions of membership.

BEFORE YOU PURCHASE: If you are currently enrolled in a health maintenance organization (HMO) or other health insurance, the benefits provided by REACH may duplicate the benefits provided by your HMO or other health insurance. If you have a questions regarding whether your HMO or other health insurance offers benefits for ambulance services, you should contact that other company directly.
WARNING: REACH is not an insurance program. It will not compensate or reimburse another ambulance company that provides emergency transportation to you or your family. This may occur when 911 Emergency System has independently determined that another company could provide more expeditious service or is next in the rotation to receive a call. This might also occur when REACH is unable to perform within a medically appropriate timeframe due to a mechanical or maintenance problem or being called on another flight.
